Samburu & Buffalo Springs

- Experience the beautiful wildlife in Northern Kenya in this photography workshop led by Priyanshi Bachhawat Nahata.
- We will focus on photography, videography and editing.
- This place is home to some of the very rare species like Reticulated giraffes, Grévy's zebra, Gerenuk, Somali Ostrich, Beisa Oryx, & Caracal. Northern Kenya has a huge number of hornbills, owls and many raptors as well.
- We will spend time focusing on getting some beautiful silhouettes, golden lights and leopards on tree apart from photographing the above species.
- Stay in the heart of the wilderness without compromising on comfort and enjoy local and international delicacies prepared by top chefs.

Trip plan in detail

- On 10th April we will take a morning flight from Nairobi to Samburu.
- Upon reaching we will drop our bags at the camp and leave for the safari.
- These four days we will do a mix of full day safari and morning evening safari so that we can spend one of the afternoons to review and learn editing.
- Reviewing the photograph and doing the right editing is as important as clicking the right photograph.
- On 13th we will do our morning safari have breakfast and then leave for Nairobi.
